

# Accessibility

Bubble is committed to providing a website that is accessible to the widest possible audience, regardless of technology and ability.

We are working to make this website more convenient and easy to use, by implementing many of the available guidelines and standards.

## **Web and Accessibility Standards**

This website looks to conforming to level 'AA of the World Wide Web Consortium (W3C) Web Content Accessibility Guidelines 2.0. The guidelines are designed to help create websites that are more accessible for people with disabilities. By using these guidelines we aim to make the web content more user-friendly.

All pages on this site have been built using code compliant with W3C standards for HTML5 and CSS3.

We are continuously seeking out solutions to improve the accessibility of this site, if you should experience any difficulty in using this site which you believe could be addressed by us, please contact us at: [bubble@ealing.gov.uk](mailto:bubble@ealing.gov.uk)
